Please check which service you would like for your pet.

Full service grooms include a shampooing, conditioner treatment, brush out and blow out of your dogs coat, a paw-dicure, anal gland expression, ear cleaning, and the cut of your choice.

Please note if your dog is severely matted, it may result in a total shave down

- Breed cut.** In a pure bred dog, this will be done to breed standards unless otherwise specified.
- Total shave down.** This cut will be as short as possible but skin will not show, tail will be left longer and blended into the body.
- Overall trim.** This service includes furnishings (hind quarters, underside, legs, chest, and tail) trimmed and excess hairs trimmed from around feet and face.
- Puppy cut.** Can be breed specific, but generally one length all over, with feet and face cut shorter. Please specify in space below approximately how long you would like coat.
- Deluxe Spa Treatment.** Includes a shampooing, deep conditioner treatment, full body massage, facial with massage, a paw-dicure, ear cleaning, a brush out and cologne.
- Puppy's First Groom.** This is perfect for your puppy's first visit. It will allow your puppy to meet our groomer and get use to the different things that occur during a groom. Generally the first groom is a good bath and trim, this is dependent upon what your puppy will tolerate. The first groom should not be a negative experience.
