## Rules and Regulations

*Please read & check each box, by checking the box you are indicating that you have read and understand each item.*

- Lodging fees are based on date to date, this means you are charged the day you drop off and the day you pick up regardless of the time. Ex. Friday to Sunday = 3 days of lodging. Open ended lodging reservation or reservations over 2 weeks will result in a deposit at the time of drop off and you may need to leave a credit card number to be charged weekly.
- For the protection of your pet every pet must be up to date on vaccinations PRIOR TO LODGING. If Limerick Veterinary Hospital is not your vet, written proof is required from your vet. For feline lodging we require **Rabies** (by law), **FVRCP** (feline distemper), and a **clean fecal sample** tested within the last 12 months. We also need proof that your cat has been *tested negative for FeLV/FIV*. If this test has not been done, it is required in Happy Tails for your cat to have free time.
- Any pet that lodges in Happy Tails is subject to a one time per stay Hazardous Waste Disposal Fee of \$7.00
- Medication may not be hidden in your pets' food. Our staff needs to be aware of all medications our guests are taking, and we want to ensure each pet is taking their medication. If medication is found in your food you will be charged appropriately.
- If your pet arrives with fleas and/or ticks he/she will be bathed and treated with a flea and tick product at the owner's expense. All means to contact you will be conducted.
- A charge will be applied to each day of lodging for any pet that requires special handling due to temperament or has special needs due to medical problems. This is determined by management.
- If a fecal sample is being tested during your pets stay and the results come up positive for parasites, medication will be prescribed and administered at the owners' expense.
- We DO NOT allow leashes, collars, harnesses, gentle leader, beds, blankets or toys to be brought from home. We will provide clean and soft bedding for your pet during his/her stay with us. We WILL allow some items, needed for medical conditions, such as a sling or diapers.
- If any medical condition develops during your pet's stay with us, our medical staff will attend to it, resulting in additional charges to your bill. All means to contact you in this situation will be conducted.
- Prices may change without prior notice.
