This is to assess your pet's health and treatment at our facility. If my pet's medical status should change in any way while lodging, I authorize the doctor to add any treatments or medications necessary at an additional cost to me. I understand that if complications arise, the doctor may make the decision to enter my pet into the hospital as a patient and this will accrue additional costs to me.

Please initial here. _____

If the pet is not called for within seven (7) days after the time specified for return, and if the doctor is not notified in writing of an alternate date within the seven day period, the animal will be considered abandoned and may be disposed of as the doctor sees fit. It is understood that this does not relieve me from paying for all costs of your services and use of your hospital including the cost of boarding.

Should it be necessary to assign this account to a licensed collection agency or attorney, the applicant agrees to pay all subsequent collection and/or legal fees.

I, being responsible for the above-described animal, have the authority to grant you my consent to prescribe for, treat, and operate upon my pet if the doctor deems this necessary.
